Halsey Is Eager To Contact Jap Fleet In Battle

Admiral's Third Fleet On Move In Effort To Find Any Jap Warships

KYUSHU AIRFIELDS RAKED BY PLANES

By ELGAR BROWN
U. S. Staff Correspondent

ABOARD ADMIRAL HALSEY'S THIRD FLEET FLAGSHIP, June 2.—(Delivered)—“Unconditional, unadulterated surrender!”

This was the slogan hurled today at the Japanese by Admiral William F. “Bill” Halsey and echoed by the spirit of his third fleet carrier planes as they raked enemy airfields on Kyushu.

“To Beat Hell Out Of Japs”

The colorful Jap-baiting Halsey, who returned to combat only last week with his powerful air-surface forces, was in rare form as he told war correspondents aboard his flagship that his third fleet is ready “to beat hell out of the Japs.”

Admiral Halsey, who is commanding the fast carrier forces which opened up against the Kyushu airfields this morning.

Reports from the first day's strike showed two Jap planes were down in an enemy base in northern Kyushu and another shot down in the ground.

Rake Airfields

The American raiders also raked Kyushu airfields, destroying two small enemy vessels off the southern coast and damaged a locomotive near Miyazaki.

Allied Commission Mapping Out Control Program For Germany

By J. C. OESTRICH
U. S. Staff Correspondent

The Allied military control commission, charged with the task of bringing defeated Nazi Germany into line and ensuring that no gang of military aggressors will come to life in that country for the foreseeable future, went to work today in Berlin.

Despite absence of official announcements, it was apparent that American, British, Russian and French military leaders had gathered in the wrecked German capital for their first meeting.

The problems confronting this commission, whose American representative is Gen. Dwight D. Eisenhower, are manifold.

Obviously, its chief job at the moment is to decide how Germany is to be occupied and controlled. The question of how long does not enter into it. Nothing is more certain than that Allied troops, probably assigned on a rotating basis so that no individual units will have to endure the hardships for too long will remain in Germany indefinitely.

There also are the problems of food, finances, transportation and national economy.

But over and above the hard, business-like arrangements that will have to be made to start Germany on the road back into the community of nations as a decent participant.

Jap Casualties In Philippines Are Mounting

Gen. MacArthur Announces Death Toll Of Japs On Island Reaches 385,480

By ILE VAN ATTA
U. S. Staff Correspondent

MANILA, June 4.—Japanese casualties in the Philippine campaign climbed today to 385,480, with the announcement that during the last week alone 7,034 enemy dead or prisoners were counted.

Gen. Douglas MacArthur said that the last seven days saw 6,550 Jap dead, 1,000 captured and 500 more prisoners.

Our own casualties for the same period were 225 killed and 657 wounded, MacArthur added.

Resistance Stiffens

Stiffening resistance was reported on Mindanao, southernmost and second largest of the Philippine Islands, however, as Americans continued to drive the Japs back along a broad salient west of Davao. The enemy forces were being steadily pressed toward Apo mountain and so swift was the U. S. advance that in some sectors enemy troops were overrun with the taking of the city.

The Americans were driving deep wedges into the enemy's defense line in the Philippines, and the U. S. command in the island reported that the Japs were being driven back in the Philippines.

At the same time, the Japs were being driven back in the Philippines.

Japs Claim Two Fleet Suicide Forces To Attack

SAN FRANCISCO, June 4.—INS

The Japs claimed today that two suicide task forces of the Imperial Japanese fleet are approaching Okinawa.

As heard by Melbourne from the Tokyo radio said that one of the Jap forces consists of three aircraft carriers and three battleships. The other flotilla reportedly consists of one carrier, a converted carrier, three more battleships and 10 smaller units.

Blue network monitored the Melbourne transmission.

JAPS MOVE TROOPS TO MANCHURIA

For some weeks past, according to reports from abroad, Jap divisions in Manchuria have been receiving reinforcements from the southern and western areas of China. These troop migrations account, in part, for the rapid Chinese advances through the key city of Nanking, and beyond. The movement of men may be prompted by the announcement from Moscow that the Soviet Siberian army will move into camps for summer maneuvers early in June. Diplomatic circles point out that the Japs are believed to be prepared to make territorial sacrifices to the Russians to keep them out of the war. One such concession, according to the reports, may be the ceding to the Reds of southern Sakhalin, or Karafuto.

Jap Defenses On Okinawa Are Now Split By Yanks

American Doughboys Drive Through Enemy To Island's Southeast Coast

DOOMED JAPS NEAR THEIR FINAL STAND

By JOHN R. HENRY
U. S. Staff Correspondent

GUAM, June 4.—Japanese defenses on southern Okinawa were split lengthwise today after battle-tested American Doughboys lanced 3,500 yards to the island's southeast coast.

Lieut. Gen. Simon Bolivar Buckner's Tenth Army Forces drove a corridor through the already shattered Japanese defenses, isolating the Chinen Peninsula and denying the enemy remnants the possibility of forming a new cross-island line.

The Japs, who had been driven back to the Chinen Peninsula, were now being driven back to the Chinen Peninsula.

New Landing On Okinawa Tokyo Says

NEW YORK, June 4.—INS

Radio Tokyo quoted unconfirmed reports today that American troops had made a new landing on the Chinen Peninsula of Okinawa.

The broadcast said the Americans had landed about three miles south of the Japanese word for cave.

Jap Suicide Planes Active

The broadcast said that although "severe" weather continued to hold aerial activity to a minimum, Japanese suicide planes had carried out a two-hour "ramming assault" on enemy warships around Okinawa yesterday morning, "setting ablaze one ship of unidentified category."

In another broadcast, Tokyo radio said that the primary target of the planes had been a fleet carrying land forces and supplies, and consisting of three battleships, three cruisers and about 40 transports, which, it said, had been observed in the Iroquo Bay area on the west coast of Okinawa some four miles south of Naha.

Another fleet of about an equal number of vessels was seen in Nakagusaki Bay on the east coast of the island above the Chinen Peninsula at the same time, the broadcast said.

Meanwhile, the Japanese Domei agency said that "two enemy task forces" had appeared "again" in the waters around Okinawa early yesterday morning after an absence of ten days.

Husband Of Murdered Woman Is Sentenced Today For Absconding As Witness

(Special To The News)

MERCER, June 4.—Everett N. Wilson, husband of Mrs. Helen Wilson, who was murdered on the Wilson farm in Mercer county, was sentenced today to a year in Mercer jail for absconding as a witness in the sensational trial of William Morrell and Janice Graham.

Sentence was imposed on Wilson this morning by Mercer County Judge George H. Rowley. Although he had been tried and found guilty in March, 1944, Wilson could not be sentenced before because he had entered the Merchant Marine service. Now honorably discharged, his prison term begins immediately.

Janice Graham was acquitted of any guilt in the deaths of the three persons, and William Morrell was found guilty of manslaughter only in the death of Mrs. Everett Wilson.

New Castle Sailors Have Part In Famous Fleet Operations

Reports Mention Dinafore, Copple,
McAllister, Trehanne, Kresowaty, Scilla

CHICAGO, Ill., June 4.—New Castle sailors have been taking an active part in the fleet operations off the coast of Okinawa and Japan.

Descriptions of some of these operations, sent by the Fleet Distribution Center in Chicago, mention at least six local men: Henry Dinafore, S-1; Donald A. Copple, F-1; Roy Lee McAllister, P-1; M. 2-0; David J. Trehanne, radioman 2-0; Philip P. Kresowaty, boat-skipper, 1-0; and James Scilla, signman, S-1.

McAllister, 22-year-old, Quest street sailor, is aboard a fighting destroyer which took part in a record of one major operation each month during her first year of action against the Japanese. Flagship of a destroyer division, the ship's history is a series of the major battles of the Pacific area, beginning with the capture of Saipan and including the first and second Tokyo air raids.

At Okinawa

Copple, 19-year-old, son of Anthony Copple 219, East Friendship street, was a graduate and sent from the battleship on which he is serving, moving up within 3,000 yards of the shore, cruising slowly back and forth and pulverizing the beach targets at point-blank range. The crew could clearly see the explosions from the ship's shells as they struck the pillboxes, gun emplacements, warehouses and trench fortifications.

Dinafore, 20-year-old son of Mrs. N. Dinafore of 408 Duquesne street, was aboard a veteran battleship when she poured a withering torrent of high explosive shells into the Okinawa beaches as a unit of the greatest naval bombardment force in history.

Have Look at Japan

Trehanne, son of Mrs. Margaret Trehanne, 514 Norwood avenue, and Kresowaty, son of Mrs. Theresa Kresowaty, 1505 Morris street, both had a look at Japan on March 19. Their ship, a 2,400-ton destroyer, eleven of six major engagements, was close to the shore of Sakoku, the Japanese home island just south of Honshu. The ship was unchallenged.

Scilla, son of Frank Scilla, 846 Dewey avenue, was aboard the first warship to enter Okinawa waters. He was there a week before the invasion of the island, at his battle station aboard a destroyer mine-sweeper as it cleared a path toward the beach for other units of the fleet.

WAR LEADERS

Two more leaders of the American forces which delivered the final crushing blows against Hitler's Germany were back in the United States today on well-earned leaves. Gen. Omar Bradley and Gen. Carl A. Spaatz.

It was General Bradley who led the Americans in the Normandy invasion a year ago, forces under his command broke the first big German counter-offensive at St. Lo, flattened back Von Rundstedt's Ardennes bulge and drove to the junction with the Russians.

Earlier in the war as commander of the Second Army, Gen. Bradley directed the final drive into Berlin which broke the German grip on North Africa and paved the way for the invasions of Sicily and Italy.

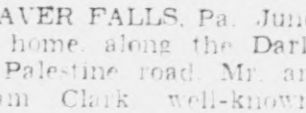

General Spaatz, an early exponent of the use of airpower, commanded the U. S. Strategic Air Force in Europe. Like Bradley, he was a member of the German surrender ceremony as well as the final blows against Germany itself. After organizing the famous U. S. Eighth Air Force in Britain, he was shifted to the Mediterranean and created the 15th Strategic Air Force before returning to England to take over command of U. S. Strategic Air Forces in the entire ETO.

One of the first 25 air pilots to be commissioned by the Army back in 1915, Spaatz in 1929 proved an airplane would stay aloft more than six days by refueling in the air. His co-pilot on that stunt was the then Capt. Ira C. Eaker, who succeeded Spaatz as Eighth Air Force commander, and for days their plane "Question Mark" dominated newspaper headlines.

Catholic Event

ner Conducted Sunday
Evening For County
GraduatesFR. FRANCIS STREIFF
SPEAKER OF EVENING

Religious services for a large group of Catholic county graduates, were conducted in St. Vitus church, Sunday evening at 7:30 o'clock, sponsored by the Lawrence County Priest Forum.

The procession was held, followed by the Hymn, "Come Holy Ghost" by the assembly.

Sermon Delivered
Delivering the sermon for the evening was Rev. Fr. Francis C. Streiff, pastor of St. Joseph's church. Father Streiff spoke on the rules of life which should govern us, namely: the rule of Our Lord's life—Charity; the love of God, and secondly, to love our neighbors as ourselves. Material things do not count in this world, as many would have us believe. Contentment of life, peace and security among us will only be found through the simple and easy philosophies of life, exemplified to us by Christ while on this earth.

"You will become tomorrow's leaders," Father Streiff, continued, "and it must depend on you to take to heart the standard of life, and the teaching of Christ. By establishing a splendid example, you can acquire leadership in this world, and strongly influence those about you to also live with high standards, through the love of God, and the love of your fellowman."

Benediction
Benediction of the Blessed Sacrament took place, with Rev. Fr. Fred Atkinson of St. Monica's as celebrant. Rev. Fr. E. Paul, of Ellwood City, as deacon and Rev. Fr. William M. Pasarek of St. Michael's as sub-deacon. Rev. Fr. Albert M. Innes was master of ceremonies.

Other priests assisting in the sanctuary were: Rev. Fr. Francis McCarter, of St. Mary's; Rev. Fr. Sebastian Ippolito, of St. Lawrence; Rev. Fr. Francis King, of St. Mary's; Rev. Fr. Elias G. Nader, of St. John the Baptist; Rev. Fr. James Knehan, of St. Margaret's; and Rev. Fr. Francis Lesniak, of St. Monica's, Wampum.

Organist for the services was Mrs. Frances Colan. Holy God We Praise Thy Name, and the Recessional brought the service to a close.

Prior to the religious service, a delicious dinner was served at 6:30 o'clock, in the church hall, the women and young ladies of the parish in charge. Graduates' letters marked each place, and a student manual was presented to each graduate.

A social affair was evolved by the graduates and their friends at the church hall at the conclusion of the church service.

Navy Cost For
Coming Year To
Be 24 Billions

WASHINGTON, June 4 (INS).—The Treasury reported today that the cost of maintaining and operating the United States Navy for the next fiscal year, beginning July 1, will be 24 billion dollars.

About eight and a half billion dollars will be required for the pay, subsistence, transportation, training and medical care of the Navy's military personnel. That is more than twice the four billion dollar E-Bond quota for the Seventh War Loan.

Another eight and a half billion will be needed for supplies and equipment. In addition, there are now capital items that must be produced and the cost of these may be as high as seven billion.

Grave Warning Moslem World May Flare Up

LONDON, June 4.—(INS)—A grave warning that the entire Moslem world in both the middle east and India would flare up unless Syria and the Lebanon were completely freed from French interference was voiced today as representatives of the Arab league met to discuss the explosive situation in the Levant.

The prospect of widespread unrest unless the Levant states are granted complete independence was expressed by Mohammed Ali Jinnah, president of the powerful All-India Moslem league, in a statement made at Matheran, India.

Arab league representatives assembled for a meeting in the Safran palace at Cairo to discuss the explosive situation in the Levant which resulted in considerable

Russia Barring U. S. Oil Experts From Romania Reveal Attacks Off Florida Coast In Early War Days

MIAMI, Fla., June 4.—(INS)—Miami headquarters frontier public relations officers revealed for the first time today that 111 ships were attacked and 882 men were killed or wounded off the coast of Florida during the early stages of the war.

At least 25 ships within the limits of the gulf-sea frontier between Key West and Daytona Beach were torpedoed by German U-boats, officers said.

Most of the vessels were sunk within sight of land, and oil and wreckage often was washed up on east Florida resort beaches.

Russia Barring U. S. Oil Experts From Romania

WASHINGTON, June 4.—(INS)—The State department today, has officially disclosed today, has asked the Soviet government repeatedly but unsuccessfully to admit United States oil experts into Romania for protection of American petroleum interest in that country.

The request was prompted by the Russian removal last December of equipment from the Romanian oil fields, in which American as well as British and French companies have substantial interests.

The Moscow explanation at the time was that most of the equipment they removed to Russia was German, and was taken as a legitimate prize of war.

Shrubbery Pruning To Be Demonstrated

State Extension Specialist Will Discuss Types Of Shrubbery And How To Prune

Wednesday afternoon at 1:30 o'clock, a shrubbery pruning demonstration will be conducted at the Wadsworth school in Nesannock township, under the auspices of the Lawrence County Agricultural Extension association. A. O. Rasmussen, extension specialist of ornamental plants, will be in charge.

NEW YORK, (INS)—The Army today said it has released 100 prisoners of war, including 100 Americans, from the hands of the Japanese. The release was made as part of a prisoner exchange program. The Army said the prisoners were taken from the hands of the Japanese in the Philippines and other areas. The release was made as part of a prisoner exchange program.

Baccalaureate Service Sunday

Rev. Oliver W. Hurst Delivers Address At Cathedral Auditorium Program

GRADUATION ON TUESDAY NIGHT

Addressing the graduating class of New Castle high school at baccalaureate services held Sunday evening at the Cathedral, Rev. Oliver W. Hurst, pastor of the First Baptist church, said that with it as a guide, "I am certain that I can overcome my life, then I must find everywhere." Choose the right path, then keep it in view. He said that with it as a guide, "I am certain that I can overcome my life, then I must find everywhere." Choose the right path, then keep it in view.

"Move with God" Find out which way God is moving and move with him, he suggested. There are those folks who are obvious but he said, "It is equal to you to find your life away at a point away from your life." Having arrived at your life, he said, as they are what then "I need to say, 'Tax him, O Lord is my aim.' That is what makes life plastic, elastic and fruitful. For if I fail to perceive Christ as the target for my life, then I must fail everywhere."

It costs something to be a Christian, he reminded. It costs everything if you are going to hit the target squarely. For whatever your reason, your ambition may be, your goal purpose will have to do with him. In humility we must serve our Lord. We must move every moment the target.

Seniors Enter Seniors in caps and gowns, entered the auditorium in procession to organ music. Verdis Grand March from Aida, played by a member of the class. Sandra Hamilton. They were led by Miss Agnes Miller, faculty supervisor of the class.

Singers and the a cappella choir

of the high school were seated on the stage. The choir, directed by Robert A. Duff, gave the call to worship and sang a choral response to the invocation led by Dr. S. E. Irvine, pastor of the First U. P. church. The choir also sang, "Listen to the Lamb" by Duff, "Lullaby of the Night" by Christiansen, and choral benediction following the benediction by Dr. Irvine. Dr. Irvine read Scripture and led in prayer during the service.

The congregation joined in singing two hymns, "Battle Hymn of the Republic" and "Abide With Me", during the program.

Organ recital prelude to the program included three selections: "Starry Night" by H. B. Hopkins, "Ave Maria" by Edward Batiste, and "Ave Maria" by Franz Schubert.

On Tuesday evening at eight o'clock the class of 324 seniors will receive diplomas at exercises to be held at the Cathedral.

Tax Refunds Will Be Paid

WASHINGTON, June 4.—(INS)—The treasury reported today that one and a half million taxpayers will soon receive income tax refunds on their 1944 tax payments amounting to seventy-six million dollars.

Some of the checks are already in the mail. However, this is only the beginning of the approximately twenty-five million refunds which the treasury department must handle.

In order to complete the job by the end of September, the treasury plans to mail as many as one and a half million tax refund checks per week during the summer months.

Legion Awards At St. Joseph's

American Legion awards for scholarship and outstanding qualities were received by Marcela Kluge and Warner Elrich, eighth grade pupils of St. Joseph's school. Presentations were made by Mrs. William Brooks and James Brice of the American Legion.

Pupils presented a program at the conclusion of the presentations. Commercial fishing in Florida is increasing at the rate of \$5,000,000 yearly. The industry engages 10,000 fishermen, 8,000 boats, 226 distributors and 21 manufacturers.

IN U. S. ARMED SERVICE

(War Censorship Regulations Limit Information Allowed in This Column)

Russell L. Westcott, F. I. C. has arrived to spend a 27-day furlough with his wife, Mrs. Donna Miles Westcott and their small son Russell, Jr., of 214 1/2 Pearson street. Serving on active duty in the South Pacific theatre of war for the past 18 months, Mr. Westcott will return to a designated base June 25. He is the son of Mr. and Mrs. Calvin Westcott, Harbor road.

Arthur (Bud) Richey of Steubenville, O., is home from the Southwest Pacific theatre, where he completed missions. He is the son of Mrs. Mary Sands, 309 East Lorton street, and upon completion of his 30-day furlough will leave for Sioux Falls, S. D.

Mr. and Mrs. William Nickel of Newhamack avenue have received word from their son, Glenn Nickel, that he was promoted to corporal on V-E Day. He is stationed in Greenland and was inducted into service one year ago, and has been overseas for six months. Another son, Carl Nickel, gunner's mate 2, is somewhere in the Pacific on submarine duty. He has been attached to the navy for ten years.

Herbert McGivern, chief of a husband of Mrs. Betty McGivern of New York and son of Mr. and Mrs. James McGivern, 134 Boyles avenue, has arrived home for his first furlough in three years. With eight years in service he has been on active duty in the Philippines, and took part covering the landing on "D" Day at Normandy. Also, he was on the ship to Yalta carrying the late President Franklin D. Roosevelt. Coincidentally, Mrs. McGivern and her husband, unknowningly, were on the same train enroute to New Castle, having gotten on at different points. They met when getting off at the junction here. Mr. McGivern will return on his duties June 26.

Word has been received by Mr. and Mrs. Jack Patton from their daughter, Vera, stating that she has been promoted from second lieutenant to first lieutenant. She is now on temporary duty at Walter Reed hospital, Washington, D. C.

Nile Simpson, pharmacist's mate, 3-c, has returned to New Castle after 18 months sea duty in the Southwest Pacific theatre of operations. At the conclusion of his 30-day leave he will return to the West Coast with an assignment to the staff of the Treasury Island Naval hospital. The son of Mrs. Nile Simpson, Ph. M. 3-c Simpson is staying with his aunt and uncle, Mr. and Mrs. Oliver Smith of 308 Sheridan avenue.

Pte. Richard M. Brochart of 453 Newhamack avenue, this city, and T-5 Louis LeMayne of 1211 Crescent avenue, Edinboro, are two of a group of officers and enlisted men who were recently honorably discharged from the Army of the United States through the 1252nd SCU (Separation Center), Fort Dix, N. J.

Medal Awarded To Plaingrove Soldier Who Died In Action

Parents Of M-Sgt. George Brown
Receive Purple Heart For Son
Killed In Ambush

Posthumously awarded to their son, Master Sgt. George I. Brown, who was killed near Sedan, Germany, on April 18, the Purple Heart has been received by Mr. and Mrs. E. S. Brown of Plaingrove.

M-Sgt. Brown enlisted in January, 1941, and served in the 9th Division, 1st Infantry, 1st Cavalry Division, 1st Infantry Division, 1st Infantry Division, 1st Infantry Division.

According to a letter received by his mother from one of his school friends who served with him overseas, "The Purple Heart was awarded to George for his gallantry after dark by Germans of the 'goose' and 'goose' with machine guns and the Americans were killed before they had a chance to fight back."

Mr. and Mrs. Brown have also received a letter from their son's captain praising the local sergeant's courage and spirit.

GAC GIFT BOOKS ARRIVE AT HIGH SCHOOL LIBRARY

Books for the library of senior high school purchased with a gift of money from the former GAC Athletic Club have arrived at the high school and are on display in the library on the second floor of the building.

Aside from a new copy of a popular history reference work and duplicates of a very few popular books already in the library, the titles include such current favorites as Green Dolphin Street, Yankee From Olympus, Immortal Wife, The Green Years, Wings On My Feet, A Treasury of American Folklore and a number of war stories so much in demand now.

The GAC's gift made possible an addition of nearly 75 new books to the school library shelves.

Jap Propaganda Predicts Attacks Upon United States

NEW YORK, June 4 (INS)—

The Japanese Domei agency declared today that Col. Shozo Nakajima, chief propaganda spokesman of the Japanese army, predicted that the U. S. mainland would be attacked "in the near future" by bomb-carrying stratosphere balloons manned by death-defying Japanese pilots.

Domei said that Nakajima had referred to pilotless balloon bombs already launched against the U. S. and added:

"The spokesman pointed out that thus far these attacks have been on an experimental scale and he predicted that when actual results of the experiment have been obtained, large-scale attacks with death-defying Japanese airmen manning the balloons will be launched."

The Domei dispatch, originating in Singapore, was received by the FCC. Nakajima declared, according to Domei, that the pilotless balloon bombs had first been launched against the U. S. on March 10 of this year—Japanese army day—and that hundreds of them had been released from Japan every day since then.

The balloon bomb is one of Japan's unique inventions and it is especially significant in that by the use of this method of bombing we can attack the enemy mainland directly from Japan, something that the enemy cannot do," Nakajima was quoted as saying.

Cpl. William Kane Returns To States

Marine Cpl. William Kane, a 19-year-old Marine Corps aviator, returned from the Pacific Islands to the Marine Corps depot at Quantico, Va., for furlough and further assignment according to information received from that depot.

Cpl. Kane has completely recovered from burns on the face and arms he received while assisting in the rescue of marine pilots from a burning plane. He was commended for his daring work. Cpl. Kane was advanced to his present rank in August, 1944.

He attended New Castle senior high school where he played football, basketball, baseball and ice hockey. Before enlisting in July, 1942, the marine was employed by the Keystone garage of this city. His parents, Mr. and Mrs. James E. Kane, reside at 599 Superior street.

New York Will Greet Eisenhower

NEW YORK, June 4 (INS)—

Mayor F. H. LaGuardia announced today that Gen. Dwight D. Eisenhower, supreme Allied commander, will come to New York City from Washington on June 19.

The day will be proclaimed by the mayor as "Eisenhower Day." Committees are planning a series of ceremonies to mark the commander's visit and these will be sent to Eisenhower for his approval.

Gen. Eisenhower, after paying a visit to the city, will go to West Point, the mayor said.

Eastport, Me., on Moose Island in Passamaquoddy bay, was for several years, especially during 1897-18, notorious as a smuggling center.
